

Bachelor of Applied Business Management

The new Bachelor of Applied Business Management is jointly offered by WelTec and Whitireia. Co-designed with industry, the degree includes part-time options for people in work.

Want a career in business? Learn the skills to be a business leader and specialise in one of our new majors: Accounting, Business Analysis and Knowledge Management, Marketing and Sales or Supply Chain and Logistics.

Designed with our industry partners, the new business and management degree gives you the skills organisations need, preparing you to head straight into the workplace.

Work directly with a local business in your final year, giving you real-world experience and helping you land your dream job.

Study Part-time

Are you looking to study part-time while you work or balance other commitments?

No problem we can make study work for you. This programme includes part-time study options for people who want the flexibility of studying while they manage other commitments.
