

# New Zealand Certificate in Construction Trade Skills (Level 3) Painting and Decorating

Learn to professionally prepare surfaces and paint interiors and exteriors. Develop your decorating skills by learning wallpapering and spray painting. Gain safe worksite skills so you're ready to work in industry. Get the opportunity to practise your skills in the workshop and on real projects.

## What you will learn

- Gain painting and decorating employment skills
- Learn the safe use of painting and decorating materials
- Interpret work drawings and measure quantities
- Prepare surfaces and apply paint by brush and roller to manufacturers' specifications
- Learn how to prepare and apply wallpaper
- Use conventional and airless spray equipment
- Re-glaze timber window and door frames
- Erect scaffolding for painting and apply site safety procedures in construction work
- Follow industry health and safety protocols

## Career options

Begin work as an apprentice in painting and decorating or seek employment in paint sales, warehousing and manufacturing. Other construction trade areas, such as plastering and tiling, are also an option.

- Painter
- Decorator
