

Bachelor of Counselling and Addiction Practice

Promote wellbeing and harm reduction to individuals, whānau and communities. Gain the skills and knowledge the industry is looking for and become a culturally-competent counselling and addiction practitioner. Learn in a supportive environment. Practise scenarios in the classroom. Complete work placements to gain experience.

What you will learn

- Complete work placements to gain on-the-job experience
- Learn skills that will enable you to work with clients with co-existing conditions in diverse sociocultural circumstances
- Focus on key societal issues – addiction, mental health, well being, inter-generational trauma and recovery
- Put sound understanding of Te Tiriti o Waitangi into practice
- Understand professional, legal and ethical obligations and competencies necessary for professional memberships
- This programme is aligned with New Zealand government objectives for addictions, mental health and youth fields

Career options

- Counsellor or addictions practitioner
- Health promotion worker
- Support worker
- Guidance counsellor
- Community worker
- Case manager
- Policy analyst/advisor

Entry criteria

University Entrance or equivalent study/work experience; and evidence of suitability based on interview, health declaration, safety check and referee reports.

Students will need

- Access to a personal computer with internet access.
- Some work placements will require students to complete health screening prior to attending. The costs of screening and any follow-up x-rays or immunisations are the responsibility of the student.
