

New Zealand Certificate in Study and Career Preparation (Level 4) - Social Services

Prepare for higher study at Levels 5-7 (diploma and degree levels). Develop your academic skills. Focus on Health Science, Social Services, Funeral Services or Animal Care.

What you will learn

- Develop research and communication skills
- Work collaboratively on projects
- Understand key concepts of professional practice for social services, including the Health and Disability Act
- Examine the importance of Te Tiriti o Waitangi for professional practice in Aotearoa
- Identify critical social issues and their impact on a chosen population
- Develop the self-awareness necessary to work in the social services industry
- Use theory to understand key stages of human development
- Learn the skills to work with different groups and individuals
- Communicate information in culturally-inclusive ways
- Use ethical frameworks to guide professional practice in areas such as addictions, counselling or youth development
- Consider workplace roles, supervision and accountability
- Plan your career and develop a CV
- Prepare for interviews
